

**Prospect Park East River Road  
Neighborhood Seeks Program Proposals for NRP-2**

The planning for our neighborhood's participation in the NRP-2 Program is underway. The Steering Committee seeks proposals for the use of approximately **\$348,000** for neighborhood purposes. Anyone may submit a proposal.

Proposals may involve anything that would be of benefit to the neighborhood. Proposals that would improve housing will be favored with those that generate new affordable housing particularly favored. Please note that "proposals" means general programs rather than individual applications for use of funds.

Each proposal should be separately made and include the following information:

- Your name and contact information
- A brief title for the project
- A description of the project
- Your estimate of the project cost or budget
- Your statement of how the estimated cost or budget was derived

You may be contacted to provide further information. For further information, including a useful but not required form for submitting a proposal, consult the neighborhood website at: <http://www.pperr.org/>.

Please submit proposals as soon as possible **but not later than January 3, 2005**, by mail to:

PPERRIA  
66 SE Malcolm Ave  
Minneapolis, MN 55414

Proposals may also be hand-delivered to the PPERRIA mailbox at the Pratt Office.
